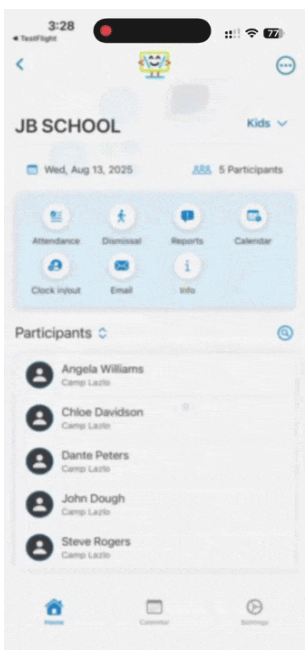
⚙️ Recent Enhancements

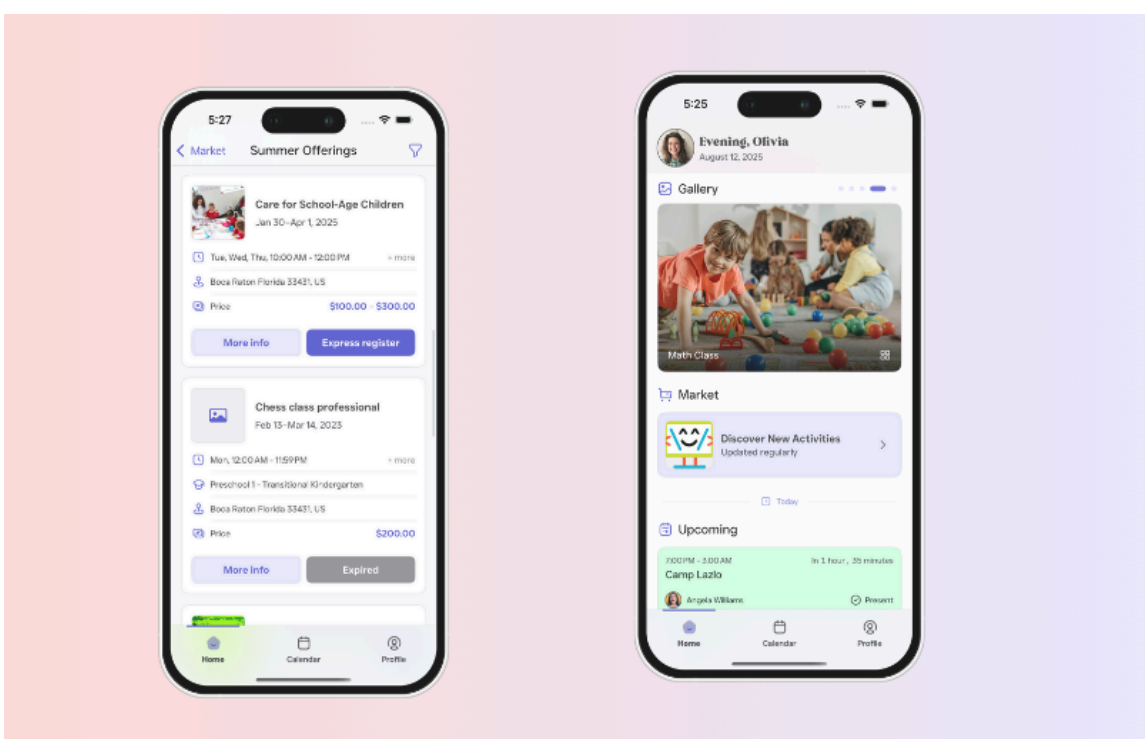
🗓️ Business App OSC Date Filters



We've improved the OSC date selector in the **Jumbula Business App** to allow filtering by a custom time range and selecting all programs or specific ones. This update helps anyone with OSC access search dates more precisely.

⏳ Upcoming Features

📱 Program Browsing in My Jumbula App



We're upgrading the **My Jumbula iOS app** to showcase your available programs directly within the app using **WebConnect** (formerly "Website Widgets"). With this enhancement, families can easily browse program details, view schedules, and access key information in one convenient place, all from their mobile device.
When they're ready to register, they'll be seamlessly directed to your website to complete the process.
This streamlined experience makes it easier for families to discover your offerings, helping you boost visibility and drive more registrations over time.
Available first on iOS, with Android coming soon.

📅 **Expected release date:** August 2025
